Flash Flood

My hubby Steve and I were in Spain this year and I have to tell you about the horny experience we had.

It was pissing with rain one day, so we decided to amuse ourselves by going on to the balcony and seeing who could be the dirtiest, in full view of everyone else out on their balconies.

Steve finally conceded defeat when I had my skirt up, my legs parted and my

Corrina kneeled down and started to lick and stroke my pussy. Then I lay on the bed and Mina straddled my face.

I licked out her sweet, wet pussy. As I licked Mina out Corrina started probing my pussy, at first with fingers and then with one of my dildos which was on the bedside cabinet.

Soon we were all very wet and sticky. We changed around so Corrina was on top of me in the 69 position, the juice from her pussy running

"I COULD FEEL MY JUICES RUNNING DOWN MY LEG"

fingers stroking my clit. We went inside to the bedroom to finish what we'd started.

Then there was a knock at the door. I thought it would be security, but it turned out to be two girls we had met in the bar before, Mina and Corrina.

Mina said they had seen us and wanted to know if they could join in. I looked at Steve, and as you can imagine he didn't mind in the least.

I stroked Mina's tits as she nibbled my neck and ear.

down my face as I ate her cunt.

Mina had another of my sex toys and was wetting it in her mouth above me. Then she slowly started pushing the small dildo up Corrina's arse.

I could hear Corrina moaning as she licked my pussy at the other end of the bed. I thrust my tongue deeper inside her pussy, pulling her arse cheeks wide apart so Mina could work the dildo in real good.

We could tell Corrina was close to cumming, and when she did it was amazing. I have never seen anyone get so wet.

She was squirting cum all over my face.

When Corrina had recovered, Mina lay on the bed and I went down on her. As I was licking her out, Corrina asked me to raise my bum in the air so she could finger me.

I could feel my juices running down my leg as I responded to Corrina's fingering. She started teasing

my bumhole, licking it and making it wet.

She slid a finger inside my hot arsehole.

I had never experienced this before and I thought I was going to cum instantly. I managed to hold on but I was soaking wet.

Mina was really pushing her clit into my face and my tongue was buried deep inside her love tunnel.

As I started to cum I let out a small scream right into Mina's cunt. This must have sent her over the edge, because she started cumming heavily in my face, and I lapped up as much of her goo as I could.

I squirmed as Corrina slurped out my cunt and arse from behind.

I have never been so exhausted after a fucking, or as content. Only then did we remember Steve, sitting in the corner watching the whole thing and wanking like crazy!

Stephanie, Glasgow.

Talk about taking a flight of fancy! There's got to be a business opportunity here, because any airline that hires Kacie as their trolley dolly and Roxi as their pilot is bound to attract a lot of interest — at least up until the safety of the passengers if they ever managed to take off became a consideration. Still, if you're going to go down in flames, there have got to be worse ways of spending your last few minutes than watching these two putting on a sizzling lesbo floor show, eh?

LEGAL HIGHS!

Production values are a bit higher for this Pumpkin release than for some teenie grot we've seen, but that's not to say it isn't utterly filthy from start to finish! They're only four scenes, but all of the girls are cute, and they're all more than happy to take a real pounding up the Gary Glitter. Irene warms her jacksie up with a pink dildo for the drilling to come, while Linsa, Julia and Lea all take a bit of old-fashioned vaginal before offering up their back-doors. Close-ups and creampiees keep things ticking along nicely.

STELLA VISION

Top

British knob-jockey

Stella Cox has made quite a

name for herself with her anal exploits,

but this time round she's content to sit back and wank while a selection of other flampers take on the knobbing duties. Well, that's alright with me, because the scenes contained here are all sizzlers, with Kira and Cara teasing out a spectacular pop shot from their stud, while Victoria Summers uses her pooper to excellent effect on her fella. Top action from start to finish - no wonder Stella feels the urge to rub one out!

Dear Julia

I just wanted to drop you a little line to say what a great magazine volume 36 issue 5 is – not least thanks to the lovely Honour on pages 33-37. I loved the first picture of her with her tight trousers and legs wide open, and then it got even better, with her holding her pussy lips open for us. Ten out of ten to the photographer of that set of pictures – my cock was quickly as hard as concrete!

And then we had Deena, with her hands on her arsecheeks, Lulu holding her inviting pussy open, Lottie with her butterflies and all the rest of the sexy ladies. It would be great to see a redhead with a ginger minge some time soon – and of course more girls like Honour! Keep up the good work at Escort! Bob, Norfolk.

Julia says: Glad you liked the issue. Yes, Honour is definitely worth asking back, we reckon, so watch this space!

DEAR JULIA

Dear Julia

What cracking pictures of Victoria Summers and her moped in your latest issue! Back in the mid-60s I had a lovely Lambretta, and I used to get up to all sorts on it. Girls then were very impressed with me and my bike, and I lost count of the number of girls that moped helped me score! And yes, one or two of them were pretty well as sexy as Victoria. Happy days! Steve, St. Albans.

Julia says: As sexy as Victoria? Are you sure about that?!

Steve never moped about!

PRO-AM CHALLENGE!

OK, to begin with we're not entirely sure just how amateur some of these strumpets are – Stacey Saren, Tiffany Naylor and co. all know what

they're about when it comes to gobbling cock! Still, there's no harm in watching them, is there? – and Nigel Night sure knows how to get the best out of these girls as they're fucked silly!

Wendy

Want to play house with Wendy? Us too, although it sounds like she's pretty demanding when it comes to fucking...

"Yeah, I like a man who really knows how to take control of the situation – someone who can lead to the front and make me submit to his every whim. If he wants me to suck his cock for an hour non-stop, I'll do it, although I haven't met too many guys who can hold out that long..."

A minute or so would be nearer the mark, we reckon!

A little bird tells us that spectacularly-boobed Amelia here is going to be appearing on the ITVBe programme Dinner Date this June – it's kind of Blind Date but with more grub thrown in! Is that right?

"Yep, it sure is! Sadly I'm not allowed to tell anyone how things pan out until the programme's aired, but it was a real laugh filming it!"

Well, if the lad in question ends up on a date with someone else, he'll be kicking himself into the middle of next year when he sees these pics, because Amelia clearly knows how to lay on a good spread!

REAL WIFE SEX

Hayley realises she's a natural cheat!

"He reached up between my legs and pushed a finger inside my slippery cunt."

I've been with my boyfriend for about five years, and last year he finally proposed. Initially this was all I had been hoping for and I said "Yes!" almost before he had finished! But as soon as his ring was on my finger, I started to think about having one last fling before I took my vows. It started as a fantasy – a daydream to indulge in when I had a spare moment – but it quickly developed into an obsession.

As the big day loomed I became unable to think of anything else. I was starting to feel trapped and claustrophobic (and Gavin had always been the one in our relationship with a commitment phobia). I was relatively sexually inexperienced and became terrified that I would never know another man's body. In the end I felt like I had no choice in the matter

and I decided to fuck another man to save my relationship.

Getting ready for my big night I pulled out all the stops. I had bought a sexy new wonderbra, which pushed my tits up and out, creating an amazing cleavage. I also had a matching G-string and suspenders. Over this I wore the skimpiest little black dress I could find. I felt confident and sexy; I wanted to be a temptress to the men in the club and to lure one of them into fucking me. This

thought made my knickers wet before I'd even headed out of the door.

I spotted my man as soon as I entered the club. Although I am usually fairly shy I felt like I was another person on this night and just lost my inhibitions. He was working behind the bar and I just watched him move; pretty soon he noticed me. He managed to introduce himself as Mark in between serving drinks and kept directing winks at me whenever I caught his eye. I knew it was going to happen so when he came over and told me he had a ten minute break I played my ace.

All I could think about was having his cock inside me and soon I was moist between my legs. I could hardly stand the anticipation and although he not even touched me yet I felt I could shag him right there and then. It took all my willpower not to just pull my scanty knickers over to one side and let him slip into me right across the bar in full view of the thirsty crowd. I followed him down a maze of corridors and then through a dirty white door. I was shocked by the change in temperature as he lead me down to the cellar.

As soon as we reached the bottom of the stairs I reached up and grabbed behind his head, pulling him towards me. I kissed him long and hard, probing with my tongue in his mouth. As we kissed I grabbed his bum and felt his solid dick pressing against me. We kissed again passionately and he put his hand up my skirt. His hands roamed all over the top of my legs, feeling and enjoying the sensation of my suspenders. He reached up between my legs and pushed a

"ALL I COULD THINK ABOUT WAS HAVING HIS COCK INSIDE ME..."

finger up inside my slippery cunt.

My breath was coming in short gasps now as he inserted another digit inside me, pushing them as far in as they could go. I reached down with my hand and undid his zipper. I reached inside and found his straining dick. I placed my hand around the shaft and pushed the foreskin back, leaving the head pointing towards me. He let out a sigh and pushed his fingers inside me again, harder and faster.

I wanked him off while he finger-fucked me but soon this was not enough for either of us. He pushed me back against a wall and I wrapped my legs around his waist, impaling myself on his massive cock. He slid straight in and it was all I could do to stop myself from just coming on the spot. He held me up with one hand and the other reached inside the top of my dress.

The chill of the cellar had caused my nipples to draw up and become

We're not sure if it's the name Pixiee that got us thinking about fantasy fiction, but it suddenly struck us during this shoot that this 23 year old cutie from the south coast looks more than a little bit like Arya Stark, the rather spunky character from Game of Thrones. So has anyone else ever made the connection?

"Ah, yes, they have!" she admits, although I can't really see it myself. Still, I love the programme, and given that lots of adult models end up in it, maybe I'll get to do a scene with Arya some time!"

Daylight knobBery

I thought I'd write to tell you about something that happened to me a few weeks ago.

It was 7 o'clock in the morning and I'd just seen my husband off to work with a good morning blow-job, which always puts a spring in his step!

I came downstairs and saw the builders next door beckoning me over.

I tightened my little robe and

went out to see what they wanted.

It seemed that they'd had a break in the previous night and all their plans had been scattered all over the place.

One particularly important document had been throw into behind a fence, to which nobody had a key.

Luckily, there was a small gap in the fence, so they asked if I could slip through and get the plans for them.

It made sense, as I'm rather petit, but when I was halfway through the gap I suddenly

£60

found a huge cock in my face. I was so shock and stunned that I did the only thing I could think of - I sucked it!

It was a terrifically juicy cock and as I wanked it into my mouth, I felt loads of fingers suddenly probing me from behind.

I lost count of all the fingers that were pushed inside me, but my pussy was so stretched that I couldn't stop myself from cumming after just a few seconds.

I was pulled back through the fence and laid down on a worktop used for site plans.

One guy started rimming my arse, while another sucked on my bald pussy. A cock was slipped into each hand and two pushed into my mouth.

I was in slut Heaven.

One by one they came all over my face, tits and pussy, before the last guy had his way with me.

He pushed his dick into my arse and spat his cum deep inside my bum.

These days, the instant my husband disappears off to work, I invite them over to wank over my arse.

Work has slowed down dramatically, over the road but at least the workmen are always smiling. I don't suppose whoever's paying them is, though!

Liz, Kent.

Red's under the bed? No she's not – she's slap bang on top of it – and luckily for us she's feeling horny as well! The auburn-haired London lovely clearly like to look after herself, if her trim figure's anything to go by...

"Well who says it has to be one or the other?" asks Amber. "I reckon there ought to be a bit of give and take. If blokes are going to be allowed to take hours to watch the football all evening, they ought to make sure they give their girls a damn good seeing to to make it up to them!"

ALESSA

Alessa may only be a wee slip of a thing, but she's already got pretty firm ideas about what she looks for in a man... "I like a fella with broad shoulders, a cheeky smile and a nice fat cock!" she grins. "That way I can hold into his shoulders and look at his smile as I slide my tight pussy down onto his thick prick! To be honest the smile's not usually an issue, because the way I can milk a guy's cock using all my holes is guaranteed to put one on anyone's face!" We don't doubt it!

REAL WIFE SEX

story continued from page 23

muscular upper body, presumably from lugging around crates of beer but this meant he was able to life my weight with little effort. The back of my dress got caught on a rough section of plaster and ripped adding to the sensation of abandonment. I felt wild and sexy and could almost believe I was no longer myself anyway.

Mark reached one hand still further around me and slid his finger towards my arsehole. I was so excited I felt ready to try anything and was surprised by the sensation of penetration.

erect. His fingers found my hardened point and twisted it, stopping just before the point of pain to create an exquisite sensation, which ran down the length of my body. I flung my head back and he kissed my neck, biting it softly with

his upper lips and simultaneously cushioning it with his lower lips. He placed both hands on my arse now and lifted me up and down, with greater frequency. He had a very

penetrated in both my holes was too much for me to bear. I could hold back no longer and reached a mind-blowing orgasm. Afterward I place my feet wobbly back on the floor and realised Mark still hadn't finished. I dropped to my knees in front of him and licked my juices up off his stiff cock, running my tongue right along the full length of it. I took as much of his prick in my mouth as I could, and almost gagged when it hit the back of my throat. I moved my mouth up and down his shaft sucking noisily as I worked. After a while I concentrated on wanking him off with one hand while cradling his warm balls with the other until he suddenly shot a great sticky wad into my open mouth. I quickly clamped my lips around his jerking pole and swallowed every last drop of his come as it spilled out into my

mouth.

I'm now happily married and that night is but a memory, though it's one I relive every now and then after Gavin leaves for work with a frantic finger-wank. Just the thought of that little indiscretion leaves me trembling with lust and only a good hard frig can stave off my compulsion to do it again. To be honest, I don't think I'll be able to resist the temptation for long. 6

We've been fantasizing about getting into Dani Maye's bedroom for ages now, and we've finally managed it – even if it is only for a shoot. Still, you can't really complain when you're watching one of the tastiest girls in the country rubbing her pink, juiced-up fanny for you and moaning, even if we do have to share the experience with our readers. Anyway, Dani certainly felt right at home, rubbing one out almost as quickly you lot will when you get to spend some quality time alone with these pictures!

New Lisa Life!

It all started at a party; I was slightly drunk and my husband had been showing 'naughty pictures' of me to our friends. A short while later one of

Lisa started by softly touching my cheek and drawing me closer to her face before our lips met. That single moment in time was electric for me. Lisa is bi and experienced, I have only ever been with a few men in

"MY FINGERS WERE COATED WITH HER JUICES, SO I RUBBED THEM ROUND HER ARSE"

his female friends asked him if she could kiss me. Lisa is in her early twenties, slim and attractive. I don't know if he would have agreed if it was a male friend but he says he would and that this was my choice. He asked me if it was OK, and being slightly drunk, I agreed so Lisa and I disappeared to a spare bedroom together.

my life and I couldn't believe the initial sensation of my lips meeting hers. I put my tongue in her mouth and she responded enthusiastically, what had started off as a kiss was becoming so much more and I knew I needed her there and then.

We fell on the floor; our lips locked together and our hands reaching at buttons and zips, frantically trying

to undo any barrier to our passion. Lisa managed to push my jeans down far enough to get her hand in my knickers and I felt the rush of excitement as her fingers found my clit. Meanwhile I was trying to get her jeans down, I needed to touch this girl's sex and to feel her wetness against my fingers. She raised her hips allowing me to slide her jeans down and to get access to her soft, wet pussy. Just then my husband called up the stairs to see if we were OK. I called back, "We're fine, so fuck off and leave us alone!"

As soon as we were both stripped bare we paused, looking at each other's naked body. The effects of the wine had worn off; I was now giddy with excitement and expectation as I studied every inch of her slim curves

before she pushed me back on the bed.

She lay down next to me and I opened my legs wide. I longed for her to push her fingers inside me and, as if reading my mind she obliged and found my G-spot almost instantly. I was in heaven and on the verge of cumming already and we had only been together 5 minutes. What the fuck!?

I relaxed and went with it, letting my orgasm flow throughout my entire body. Knowing I was being selfish by cumming like that I regained some control and let my hands trace the contours of her beautiful younger body, I loved the feeling of running my nails around another woman's tits for the first time and I hesitated, before moving my hands between her thighs.

**NEXT ISSUE ON
SALE 24TH JUNE**

She gasped as my fingers found her wet pussy again, I kissed her firmly on the lips before kissing her neck, her beautiful breasts and on down her flat stomach... my fingers never once left probing her wetness.

I eased two fingers inside her just as I brought my lips above her clitoris, took a deep breath, stuck out my tongue and licked. Lisa tasted fantastic and I could feel her clit harden against my tongue, especially when I pushed my fingers deeper inside her. As I experienced all of these new sensations I heard her moan with pleasure. My fingers were coated with her pussy juices so I rubbed them gently round her arse before pushing my index finger into her tightest hole, my tongue still lapping at her pussy.

Within moments I felt her muscles tighten, her orgasm raging and my only desire to taste as much of her as possible. She grabbed my head and pulled me closer, my tongue lapping up every last drop of her oozing sex, my finger pushed deeper inside her. I felt her tremble, heard her moan from satisfaction as she came.

Once she'd recovered she started sucking on my left nipple rolling her tongue around it then blowing cool air across it to make it stiff, she then moved across to my right nipple and gave that the same treatment. Then she gave me grin and put her head between my legs whilst kneeling either side of my face so that we were in a sixty nine. My whole body tensed when she ran her tongue along my snatch, she grabbed my bum cheeks as if trying to pull herself closer, sucked my clit into her mouth and rolled her tongue around it. She pushed two fingers in my sopping cunt and another into my eager bum, her mouth still locked on my clit.

I thought the first orgasm I'd had was the best ever but this one took my breath away, I gripped the bed covers as my whole body tensed. I could feel my body shaking and my legs twitching but had lost control completely, my pussy and arse clenched around Lisa's fingers as waves of orgasmic release rushed through me.

Needless to say, my hubby lapped up the story!
